Privacy Policy

Personality and private sphere protection is very important to us.

We guarantee the processing of personal data in accordance with the applicable data protection law. You may refuse to process your data at any time in compliance with legal framework conditions or revoke your consent or delete your data.

Your data is not sold.

The communication of your data is only with the selected third parties listed in the Data Protection Policy and only for the purposes expressly mentioned. In case where we rely on data processing to third parties, these must contractually commit to comply with our data protection law-based standards.

We guarantee you security and protection for your data.
